Biochemistry BIOL 601 schedule - Winter 2012

Due to the large number of students attending the Biochemistry BIOL 601 seminar series this year, TWO first year students will be presenting one after the other, during the normal 4-5 PM time slot: ~20 minute presentation + 5-10 minutes for questions/discussion. First-year students presenting in Winter still have a full hour for their presentation (~40 minutes) and discussion (~10 minutes).
